LANA:

Hi, my name is Lana Marks and I am the Membership and Communication Vice President of TEMTY!

I am currently a senior at the Academy of Performing Arts at Alexander Hamilton High School. At school I am a part of the advanced choir group. I enjoy swimming, dancing, and I love making new friends. I also love working with kids: they always make me smile. My favorite animal is a crocodile. I prefer cats over dogs; and lastly, I love learning and experiencing things I haven't before.

This year I am looking forward to meeting and connecting with more teens, running some awesome events, and expanding the community of TEMTY!!

I am excited to lead our board this year! Not only am I working on my communication techniques, but I am also excited to work with a motivated board. We are happy about participating in-person once again, expanding our attendance at events, and making the most out of our time we have together.
