

HIGH HOLIDAY FOOD DRIVE

To benefit the JFS SOVA Community Food & Resource Program

The SOVA Community Food & Resource Program depends on your in-person and online donations to help ensure that the people of LA do not go hungry. This year, when our services are needed more than ever, we hope you will join us to make the High Holidays a time when we reach out to those who need a helping hand.

If you are donating items in person, we ask you to please focus on the specific items listed below. This will help us provide the most nutritious and useful items for our pantry clients.*

- ▶ Canned Tuna
- ▶ Nut Butter
- ▶ 100% Juice
- ▶ Low-sodium Canned Vegetables
- ▶ Cooking Oil
- ▶ Whole Grain Cereal (Hot or Cold)
- ▶ Shelf-stable Milk & Milk Alternatives
- ▶ Low-sodium Canned Tomato Products
- ▶ Low-sodium Canned Soup
- ▶ Personal hygiene items, toiletries (such as toilet paper) and other household items

*Please no glass products or opened products. Kosher products preferred.

You can also make a meaningful contribution by donating to the food drive online.

Monetary donations to the SOVA pantries help us provide fresh protein, produce, dairy, and eggs for our clients. We can only provide these fresh and nutritious items to families in LA through a virtual drive. This format also allows us to leverage our close relationships with food distributors to make the impact of your dollar go exponentially farther. That means more food for more families.
