How to Play Dreidel

1. Each player begins the game with an equal number of game pieces (about 10–15) such as pennies, nuts, chocolate chips, raisins, m&m's, skittles, etc.
2. Every participant puts one game piece into the center pot. When the pot is empty or has only one game piece left, each player puts one in.
3. When it's your turn, spin the dreidel. Depending on what letter it lands on, you give or get game pieces from the pot.

*The letters of the dreidel stand for:
A Great Miracle Happened There.
Ness Gadol Haya Sham.*

Nun stands for *Ness* (miracle).
The player does nothing.

Gimel stands for *Gadol* (great).
The player gets everything in the pot.

Hey stands for *Haya* (happened).
The player gets half of the pot
(plus one if odd numbered).

Shin stands for *Sham* (there).
The player adds a piece to the pot.

4. If you find that you have no game pieces left, you are either out or may ask a fellow player for a loan.
5. The game is over when a single player has won all the pieces—or whenever you've all had enough.
