

## SOVA HIGH HOLIDAYS FOOD DRIVE

### Help JFS SOVA provide fresh and healthy food to Los Angeles families all year long.

The High Holidays are just around the corner—which means it’s time for the Annual JFS SOVA Virtual High Holidays Food Drive! Thanks to our close relationships with food suppliers, every \$1 raised becomes \$5, allowing us to purchase exponentially more food than traditional food drives could ever bring in. That means we’ll be better equipped to meet the ever-growing needs for our services while providing ample amounts of healthy and fresh food options to vulnerable families throughout Los Angeles. Last year alone, JFS SOVA distributed over 3 million pounds of food to 178,000 people.

We hope that you will join us again this year to help thousands of people across Los Angeles receive the food they and their families need.
